EXPERIENCE GROWTH

IMPROVE CASH FLOW

Churches with online giving see an increase of at least 5% in their weekly offertory, and a 20-30% uptick in larger, planned contributions. With an always-available online giving platform at their fingertips, parishioners can take advantage of the ability to schedule regular gifts and can make planned contributions at an opportune time for them.

STREAMLINE TAX PREP

Print and mail or email tax statements at the click of a button! Online giving streamlines record keeping, communications, and tax prep for gifts made to your parish. Online giving donors benefit too – they can view their giving history and can print their annual contributions and receipts for each transaction.

PARTNER WITH PROFESSIONALS

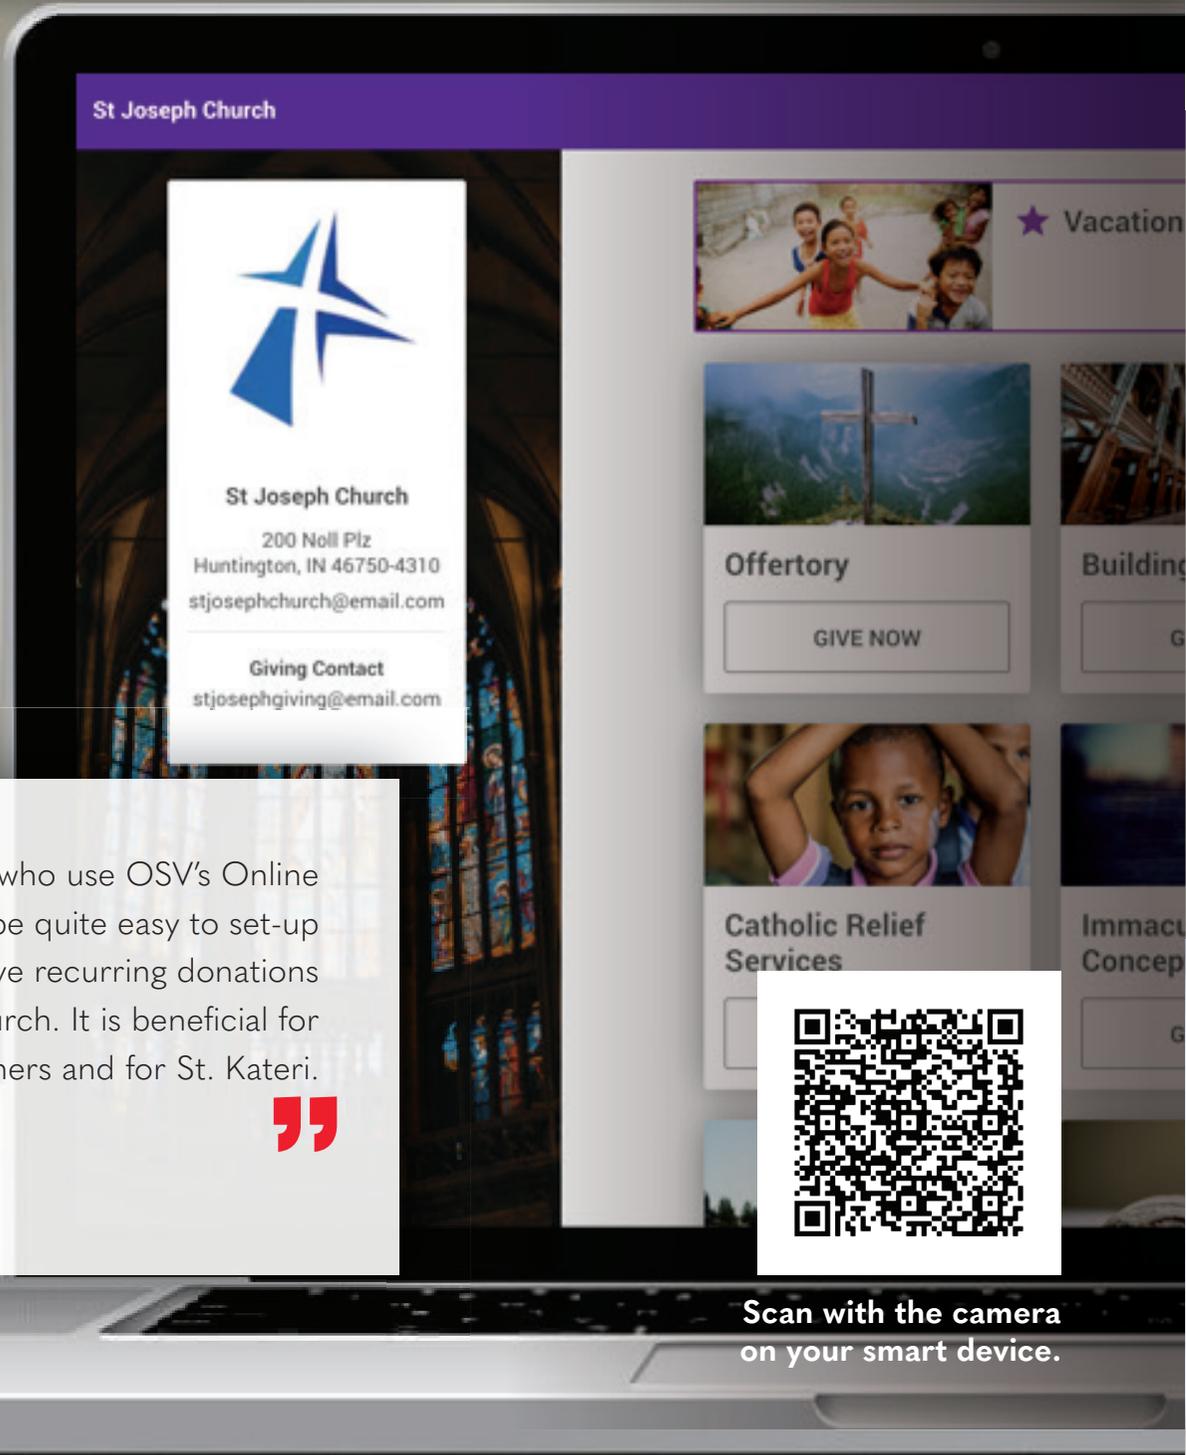

Take advantage of OSV's Online Giving Success Coach to elevate your online giving strategy. With well over a decade of experience with online giving, OSV is at-the-ready to help you increase your offertory and planned contributions with easy-to-implement tactics that can make a big impact.

Note: All features of OSV Online Giving are subject to update or change. Please contact your OSV Sales Consultant to discuss your parish's specific needs.
