A CATHOLIC COMPANY HONORING CATHOLIC VALUES.

CRAFTING TRANSFORMATION TO CREATE GROWTH, CULTIVATE MISSION

What's a temporal reset moment? Well, simply put, its an occasion or point in time that invites reflection, coupled with the desire and opportunities for improvement. The Church experiences reset moments throughout the liturgical year, often centered around feast days and special events in the life of the parish. The larger than normal attendance during these reset moments are your Pathway to parish renewal.

The team at OSV will guide you every step of the way during your parish enrichment project beginning with your invitation to the community to celebrate together at Mass. We'll design, print, and mail all of your all of your project materials: letters, canvassing postcards, brochure, and follow up letter.

Your parish leadership team can easily access the short training modules electronically. At the end of each session, they will be prompted to complete 1-2 reflection questions and one action step to deepen their understanding of each topic. Your OSV consultant will check in along the way and help you and your leadership team develop your action plan.
